Mrs. Parson’s Anatomy & Physiology Syllabus

**Supplies Needed**
- pen/pencil
- Notebook (3-5 sub)
- Chromebook
- Colored Pencils/Markers
- Glue/Tape
- Calculator

**Communication:**
“But good, healthy communication is impossible without openness, honesty, and vulnerability.” - Paul Kendall

- Contact me:
  - Email: lindsay.parson@communityisd.org
  - website: www.parsonscience.weebly.com
  - school phone: 972-843-6500
  - Please allow 24 hours for a response.

- Need make-up work?
  - Check website or Classroom. You have two days to get it done.

- Need to make-up a test or project?
  - Schedule an appointment after school within five days of the test.

**Classroom Expectations:**
- You are expected to pass this class. Respect each other, follow directions, participate, and complete your work on time.
- Be prepared for class daily. (Charge your Chromebook before class!)
- Be seated and ready to work when the tardy bell rings.
- Follow the CHS Basics!

**Course Description:**

**Anatomy & Physiology** is a course designed for students who have successfully completed two high school sciences. It is part of the Health & Human Services Career Cluster. Students will be keeping an up-to-date interactive notebook throughout the year to log their notes, activities, and etc. The interactive notebook is essential to a student’s success in this class!

Students will be learning about the structure and function of the human body and its organ systems throughout the course, and they will be building soft tissues onto their Maniken ® skeletons during the school year as each body system is covered.
I am truly looking forward to another awesome year at CHS! When we follow the rules and respect each other, everyone will be valued and learn.

Lindsay Parson
CHS Science Department

---

**Grades:**

- **Formative Assessments** (40% - homework, daily work, warm-ups, exit tickets)
- **Summative Assessments** (60% - tests, quizzes, lab reports, lab practicals, projects)
- **Projects and lab reports** may be placed in different categories and/or more than one category, depending upon the difficulty levels.
- **Late work** is not recommended. All assignments (except tests and notebook checks) are DUE on Friday at 4:00 PM! Students will have 2 school days to turn in work for up to 70.
- **ZAP!** Students who accumulate missing work will be assigned to ZAP! To get it completed during MegaLunch for up
- **Extra Credit & Bonus** Points are available to all each 9 weeks.

*Individual grades will not be shared or discussed during class. Please make an appointment before or after school to discuss grades or email me.*

“Friends love through all kinds of weather, and families stick together in all kinds of trials.”
Proverbs 17:17

“It's best to have your tools with you. If you don't, you're apt to find something you didn't expect and get discouraged.”
Stephen King
